Re: U.S. v. Leotis Fowler, 1:22-cr-150 (NLH)

Dear Judge Hillman,

I am writing to request an extension to file the government's response in the above-captioned matter. The previously assigned assistant United States Attorney, SAUSA Crockett, left the office and the government inadvertently failed to file a response by the deadline as ordered.

The government requests an adjournment of approximately 30 days, which should allow the government time to confer with the United States Probation Office and to file a response.

Thank you for your consideration in this matter.

Respectfully,

PHILIP R. SELLINGER
United States Attorney
